

Streets, Buildings, & Grounds Committee Minutes

January 2, 2019

Meeting called to order at 7:34pm.

Present: Karl Wilkins, Shawn Hill and Russ Yarger

Discussed Thermal Tech representative to come out and look at the multi ply roof and make sure it is ok after the new install of the steel roof.

Shawn Hill inquired about the air conditioners in the community center and why they are not replaced yet with the new ones purchased this last summer.

Discussed the Quonset huts back wall and the need for repair.

Shawn Hill inquired about the possibility of summer help with mowing.

Discussed the bridge on East St. and repairs that need to be done.

Discussed fuel pump not reading correct amount of fuel dispensed.

Discussed the sidewalks on Division St. and snow removal by the village DPW.

Shawn Hill inquired about closing the cemetery during the winter and only open for funerals to cut down on snow plowing.

Discussed making protocols and procedures for DPW to follow.

Meeting adjourned at 8:18 pm.
